### Unlikely conversations

I.

I'm a sheep  
and you're a milking cow  
let's pose together

just this once.

II.

I know I'm a cow,  
but I've never seen you  
in this part of the field

before.

Just this once

Before we forget  
or lose  
our train of thought,  
let's talk  
like good friends.

Name tag

I don't know your name  
but you look  
so familiar  
a lot like me.

Now I remember...

It wasn't so long ago  
or far away,  
it was right here.  
I always remember  
a face.

Yes,

I.  
I always meet  
the nicest friends  
while waiting here.  
Let's stand together  
more often.

II.  
Meet me here  
tomorrow.  
Don't forget.
