

I deserve some credit  
after all I've done for you,  
I could finance a retirement  
with the interest you've accrued.

I think I'll pen a screenplay –  
why not exercise my right?  
With my talent for illusion,  
I'll be famous overnight.

Are you green?  
I'm green, too  
unless your wind turbine  
blocks my view.

I'm developing cosmic endurance  
in lieu of universal insurance.  
In the event that I get ill,  
I'm sending God the bill.

Twittertry, like ennui  
creeps in on kitten feet.  
Twittertry, like archery  
aims at the grand conceit.
