

Grasping needles I  
 knit new sweaters with friends here,  
 across the table.

**Companion Haiku**

This thread I'm left  
 clearly reveals  
 remembering  
 is all I do...  
 anger fills me,  
 frustration gnaws,  
 hope replaced with  
 disappointment...  
 endless circles  
 spinning apart  
 any story  
 I try to weave...

**Knitting Bones  
 4 x 4 x 4**

We forget  
 the one we  
 do not see,  
 before four,  
 trapped in tri-  
 angling,  
 they say god  
 resides here,  
 after two.

**Dark Side Spinning  
 3 x 3 x 3**

Working  
 magic,  
 forces  
 controlled.
